Obligation of funds are provided under Task Order GS-P-04-13-EW-0012 PS01.

In consideration of the modification agreed to herein as complete equitable adjustments for the Contrator's Option III period, the Contractor hereby releases the Government from any and all liability under this contract for further equitable adjustments attributable to such facts or circumstances giving rise to the proposal for adjustment.

**CLAUSE: Limitation of Government's Obligation.**

**LIMITATION OF GOVERNMENTS OBLIGATION**

- (a) Contract line item(s) 1001 through 1005 are incrementally funded. For these item(s), the sum of \$67,210.02 of the total price is presently available for payment and allotted to this contract. An allotment schedule is set forth in Paragraph (J) of this clause.
- (b) For item(s) identified in paragraph (a) of this clause, the Contractor agrees to perform up to the point at which the total amount payable by the Government, including reimbursement in the event of termination of those item(s) for the Government's convenience, approximates the total amount currently allotted to the contract. The Contractor is not authorized to continue work on those item(s) beyond that point. The Government will not be obligated in any event to reimburse the Contractor in excess of the amount allotted to the contract for those item(s) regardless of anything to the contrary in the clause entitled "Termination for Convenience of the Government." As used in this clause, the total amount payable by the Government in the event of termination of applicable contract line item(s) for convenience includes costs, profit, and estimated termination settlement costs for those item(s).
- (c) Notwithstanding the dates specified in the allotment schedule in paragraph (j) of this clause, the Contractor shall be notified that funding is available by email (as annotated on the award document) to the contractor 15 days prior to the incremental funding dates as outlined in Paragraph J Notice of funding will also be provided via a website (<https://finance3.osa.cioy>). If after such notification additional funds are not allotted prior to the expiration date, the Contracting Officer will terminate any item(s) for which additional funds have not been allotted, pursuant to the clause of this contract entitled "Termination for Convenience of the Government."
- (d) When additional funds are allotted for continued performance of the contract line item(s) identified in paragraph (a) of this clause, the Contractor agrees to continue performance in accordance with the contract. The provisions of paragraphs (b) and (d) of this clause will apply in like manner to the additional allotted funds and agreed substitute date.
- (e) If, solely by reason of failure of the Government to allot additional funds, by the dates indicated below in Paragraph J, in amounts sufficient for timely performance of the contract line item(s) identified in paragraph (a) of this clause, the Contractor incurs additional costs or is delayed in the performance of the work under this contract and if additional funds are allotted, an equitable adjustment will be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the item(s), or in the time of delivery, or both. Failure to agree to any such equitable adjustment hereunder will be a dispute concerning a question of fact within the meaning of the clause entitled "Disputes."
- (f) The Government may at any time prior to termination allot additional funds for the performance of the contract line item(s) identified in paragraph (a) of this clause.
- (g) The termination provisions of this clause do not limit the rights of the Government under the clause entitled "Default." The provisions of this clause are limited to the work and allotment of funds for the contract line item(s) set forth in paragraph (a) of this clause. This clause no longer applies once the contract is fully funded except with regard to the rights or

obligations of the parties concerning equitable adjustments negotiated under paragraphs (d) and (e) of this clause.

(h) Nothing in this clause affects the right of the Government to terminate this contract pursuant to the clause of this contract entitled "Termination for Convenience of the Government"

(i) Nothing in this clause shall be construed as authorization of voluntary services whose acceptance is otherwise prohibited under 31 U.S.C. § 1342.

(j) The parties contemplate that the Government will allot funds to this contract in increments from the date of award in accordance with the following schedule:
